

## General Rules & Information

This document is intended to provide OKFS competitors with tournament related details to enable them to safely and successfully compete in any Ontario Kayak Fishing Series event. Please be sure you read and fully understand these rules prior to competing in these events. Not knowing these on the day of competition is not an excuse for not following them.

Any questions can be directed to the Organizer [okfs@nomadac.com](mailto:okfs@nomadac.com) prior to the event. Some of this will be reviewed at the Captain's Meeting but don't rely on that for answers to any specific questions you may have.

Specific Rules may apply to different events and will be identified on the OKFS website, Facebook Page, and at that event's Captain's Meeting.

## General Rules & Information

### 1. Registration

*Registration* opens on the day the events for that year are announced. The deadline for registration is generally one month prior to the date the event is held.

- a) *Entry Fee* – must be paid by the deadline to guarantee your acceptance to that tournament.
- b) *Refunds* – participants who cannot attend the event they paid for are asked to defer their payment to an event later in the Series, or the following year. Those who cancel in the last 48hrs prior to an event are not eligible for refund or deferral.
- c) *Payments* – e-transfer is preferred or contact Organizer for other arrangements.
- d) *Eligibility* – OKFS reserves the right to refuse individuals based on unwelcome conduct relating to other kayak fishing events or activities.

### 2. Live Events

Will have a host site or headquarters for scoring and awards, however, may or may not have a live captains meeting or meal available to participants. This is subject to the tournament itself, and number of participants.

- a) *Check-Ins* are required for all live events. Pre-tourney check-in is required, and can be done on the evening prior to the event or in the hour prior to the event start time.
  - I) *Post event Check-Ins* are required by all competitors who wish to submit their catch.
  - II) *Early Check-Ins* for anglers not using TourneyX or could not upload their photos, must arrive to the headquarters 1 hour prior to the post-event check-in time. This enables OKFS Tourney Staff sufficient time to upload and evaluate the catches.

### 3. Online Events

Will not have a host site or headquarters, and scoring will be [TourneyX](#). These are Cash Payout only, and the cash prizes will be mailed to the Winners after judging and placement has been confirmed.

### 4. Cancellation

*Competitor Cancellation* is allowed with full refund if requested 30 days or more prior to the event. Competitors are encouraged to apply their fee to a future OKFS event. Since this is a charity based tournament series.

- a) If a competitor wishes to cancel after that period; a \$25 administration fee will be charged.
- b) Cancellations in the 5 days leading up to the event are not eligible for refund, only deferral.
- c) Canceling in the last 48hrs forfeits the entry fee and deferral option.

*Organizer Cancellation* can occur when the Organizer or OKFS Team Member(s) feel the safety of the competitors may be jeopardized by following through with the event. This is generally weather oriented.

Other organizational cancellations at no fault of the competitors could be eligible for refund, but again, competitors are encouraged to apply their fees to a future event.

## General Rules & Information

### **5. Captain's Meetings**

These meetings will be held at all live events, however, they will be live streamed at the events whenever possible. A discussion of any location specific rules not covered in the OKFS General Rules will be announced and a brief question period will follow. *Loaner measuring boards* may be available based on first-come, first-served basis.

Attending or streaming this meeting is not an excuse for not knowing all the OKFS General Rules, only location specific rules will be covered.
